REGARDING: Methods of Communication - ParentAPPS

JUNE 2020

Dear Parents/Carers

In the past, messages from school to home have relied heavily upon 'pupil post'. At Alfred Street Junior School we have developed a range of modern ways to keep you informed. Alfred Street is looking to create an effective partnership with parents/carers by providing an open and communicative environment, forming a positive link between school and home.

We are hoping to provide you with full visibility of your child's interests, strengths and commitments – as well as information about school events and developments.

All standard important information, newsletters, Alpo Gazette, Head's Updates and information about trips and events will be sent via our ParentAPPS system. We do not send out paper copies of internal information in order to preserve the environment and reduce our printing costs in school.

As standard, this information will only be sent to the First Contact on our school system.

If you have joint parental responsibility and live at different addresses, please ensure that the School Office have **BOTH** parents contact details, as we have a **legal obligation to keep both parents informed of children's progress**. If you have a Court Order issued, please bring the Order into the School Office so that we are able to take a photocopy for our records.

Please complete the attached form to advise us of the details, for the school to be able to ensure that **all** adults with parental responsibility are kept up to date with all information sent out by the school, plus any further contacts you would like to receive the information. The School Office will then 'invite' other adults indicated on the form to access ParentAPPS.

Paper copies of correspondence will be kept in the Reception area and can also be found on our website. We will use Facebook and our ParentAPPS as a way of reminding you about events and to provide non-standard information such as celebrating weekly achievements as they happen and sharing enrichment activities with you (a summary of which will be put in our Alpo Gazette).

Kind regards

Mrs K O'Connor
Head Teacher
