July 2020

Dear all my new Alfo family,

Hello everyone.

It is Miss Shelley here, your new Year 3 teacher. 😊

I hope that you are all well and have been enjoying the wonderful sunshine. I have been busy in my garden, planting new, colourful flowers and creating a small wildlife pond area which we are hoping will be a lovely home for some frogs and toads.

I am so excited that you are coming to Alfred Street in September and I am also extremely happy that I am going to be your teacher. I cannot wait to see you all again. I really enjoyed my time with you all at Tennyson Road. I had lots of fun, getting to know you, I hope you did too. How lucky am I that I get to teach you all again!

Things have been very different recently as we haven't been at school and it is a shame that we probably won't be able to do our traditional transition days. But don't worry, I promise you won't miss out, I will make sure we still get to do all the fun activities in September. Soon, I am going to take lots of pictures of all the different areas and rooms at Alfred Street and put them altogether into a video which I will send to your grown-ups. Hopefully, this will help you to become a little more familiar with your new school. We can have a proper tour when we are all there together.

At the moment, I am busy planning lots of fun activities for us to do in the new school year. In our Topic lessons we will begin by learning about the Stone Age people. Did you know they did not have any knives or forks? They must have gotten very messy. Yuk! We will be reading a book called The Stone Age Boy in our English lessons and finding out just how a young boy ended up time travelling into the Stone Age! It is an exciting story that I hope you will enjoy.

You will find in this pack some activities for you to do over the Summer Holidays. Don't worry about doing them all at once! It is to last you throughout the summer. There is lots in there for you such as: Maths, English, Art etc. and you can earn some reward points for good effort (trying your hardest to do your best work). Please do not worry if you find some of them tricky, just try your best and do what you can do! Remember, learning is meant to be fun but it is sometimes tricky too which is also good because it means you are learning. It would be no good if

everything was easy, you would be super bored if nothing challenged you at all! Bring the work pack back to me in September so we can put on your reward points which we call Dojos at Alfred Street and Dojos earn prizes!

If you have any questions that you want to ask me then please ask your grown-ups to email Mrs O'Connor and she will send them on to me then I will reply to you as soon as I can.

Looking forward to seeing you all soon!

Take care.

From Miss Shelley 😊
