

# Take part in the Alfo

## How does it work?

1

Bring in a book from home that you no longer want.

*Always check with an adult first as once it has been swapped you may not be able to get it back.*

2

Visit our book exchange cupboard at the top of the Year 6 stairs—by the top hall.

3

Leave your book on the shelf and select a new book from our selection.

4

Enjoy reading your new book.

## then...

Bring the book back and start all over again.

It's that simple!
