Dear Parent/Carer

Reception Screening 2023 – 2024

Every year we ask parents/carers of Reception aged children to complete a questionnaire which enables the School Nurse team to assess your child's health. We are then able to offer guidance and support in relation to any concerns that you may have.

The link below will take you to the online health questionnaire for you to complete. If this link does not work, please copy and paste the link and open the questionnaire using the internet browser best suited to your device. If you have any difficulties accessing the link which hasn't resolved by changing to a different internet browser, please email Rachel.andrews@nhft.nhs.uk

The following link is now accessible and will close on the 31st July 2024: <https://forms.office.com/e/qRjuhNdLEi>

If you have already completed this questionnaire for your child there is no need to complete it again.

If you state that you require support from a School Nurse within the questionnaire a member of the 0-19 service will contact you as soon as we can. If you feel that you need to speak to us more urgently regarding your child's health, please call our 0-19 Admin Hub on 0800 170 7055 (option 4).

We have also created a new webpage which has health information aimed at children in Reception Year and this link can be found below.
